#CodeBlue: Digital Marketing Apprenticeships For The Future

Remit IT are excited to be sharing with you our Digital Marketing Standard and help businesses across the UK.

With 79% of businesses in the UK having a shortage of digital skills the time could never be better to get ahead.

The Digital Marketer Apprenticeship is suitable for those employers looking to upskill existing colleagues or recruit and train new apprentices into the workplace. The purpose of this apprenticeship is to enable learners to develop the knowledge and skills required for working in social media and digital marketing roles.

If you feel you have skills gap with in your workforce then please fill in this form to find out more about the Digital Marketing Standard and hiring an apprentice. We will then email you the qualification fact sheet and also give you call to discuss further.
